

Study Abroad for Environmental Engineering Majors

- Students can study abroad as early as sophomore year
- SSH is Social Science or Humanities Electives
- Courses listed as N/A or in red are not offered and may need to be taken when student returns to SU campus.
- **Note:** Required Courses listed as N/A or in red are not offered and may be taken when student returns to SU campus. However, it is important that you meet with the study abroad advisor to make sure that this won't extend your graduation date.
