

Become a member of the Corporate Founders Circle—an exclusive group of industry leaders devoted to **recruiting and graduating a high-achieving, diverse workforce.** We are transforming student services and building a visible and vibrant home for these services. We need your help.

Join by June 2018 and your company will be **permanently recognized** in the new Bill & Penny Allyn Innovation Center.

Preparing Students for Success

The Allyn Innovation Center will be a launchpad for student support and experiences—recruiting, advising, internships, Invent@SU, study abroad, career services—enabling the next generation of engineers and computer scientists to graduate on time, prepared for the workforce and for life.

A Contemporary Gateway

Prominently situated along the walk from University Place to the Carrier Dome, the Allyn Innovation Center will showcase engineering and computing as collaborative, innovative, socially relevant—crucial for broadening participation. The center will also be an event venue and gathering place.

Join the Circle!

Together, we will enhance our impact on our students, our communities, and your company's success.

Corporate Founders Benefits

In addition to your company's logo being displayed in perpetuity in the Bill & Penny Allyn Innovation Center, corporate founders receive the following benefits for **3 years at no additional charge**:

- Recognition on college websites, social media, digital displays
- Recognition in Syracuse Innovator magazine, Career Fair marketing materials, alumni events, and graduation brochure
- Prominent recognition, preferred table location, and early registration at fall and spring Career Fairs
- Preferred on-campus recruiting sessions with highly skilled students
- Premier job, internship and event promotion in OrangeLink
- Two tickets annually to attend an SU football or basketball game in the University Suite
- Participation as an evaluator in the Invent@SU invention accelerator competition
- Attend annual College retreat industry forum
 - Network with faculty and staff
 - Learn about College initiatives
- Attend annual Dean's List ceremony for high-achieving students

- Serve on an industry panel for the ECS Ambassador Scholars and ECS Leadership Scholars
 - Opportunity to discuss your company with high-achieving, diverse students
- Assigned relationship manager

Your commitment of \$50,000 or more will provide crucial support for transforming the student experience.

**Secure your place in the
Corporate Founders Circle today!**
