Student Instructions for BEN or CEN 5-year BS/MS Application

Eligibility:
Bioengineering and Chemical Engineering students in the fall of their junior year (have 3 semesters remaining before graduation) at Syracuse University are eligible to apply to the 5-year BS/MS program.

Application materials:
1. Two (2) faculty recommendation forms submitted directly from the faculty to the contact person identified below. Neither faculty recommendation form can come from a program director (program directors are currently Profs. Bond, Cadwell, Nangia and Yung).
2. Personal statement: one page (12 pt. Times New Roman, 1 in. margins all sides) explaining your interest in the 5-year BS/MS program.
3. CV or resume.
4. Unofficial transcript

*GRE scores are NOT required.*

Due date:
The application materials must be submitted by Jan. 15 (immediately following the fall semester of the junior year). *Priority will be given to those students applying before December 1st.*

Contact person:
Applications to the Bioengineering BS/MS program should be emailed to Prof. Shikha Nangia, Bioengineering Graduate Program Director (snangia@syr.edu).

Applications to the Chemical Engineering BS/MS program should be emailed to Prof. Jesse Bond, Chemical Engineering Graduate Program Director (jqbond@syr.edu).

Notification:
Decisions will be communicated by Feb. 15 of the following spring semester. *Priority notification will be given by January 10th for those who apply before December 1st.*

Application Requirements of the Graduate School:
Students accepted into the 5-year BS/MS will subsequently need to complete an online application through the Syracuse University Graduate School to formally be accepted to the program. Instructions for that application will be provided at the time of acceptance.
